

Reviewer acknowledgement

23.09.2024

Dr. Alessandro Sebastianelli

This letter is to confirm your contribution as an external reviewer for the Icelandic Research Fund, expert panel on Engineering and technical sciences, for the coming year. External reviewers are selected by the expert panels based on the relevant scientist's area of expertise and scientific merits according to professional websites and citation databases. The external reviewers' work is critical to the peer review process, and we appreciate your time and expertise.

The Icelandic Research Fund is an open competitive fund that provides research grants according to the general priorities of the Icelandic Science and Technology Policy Council and based on peer review of proposals. The role of the fund is to support scientific research (both basic and applied) and research education in Iceland. For this purpose, The Icelandic Research Fund awards funding to research projects led by individuals, research teams, universities, research institutes and companies.

The Icelandic Research Fund is administered by Rannís, The Icelandic Centre for Research. On behalf of the Icelandic Research Fund, I want to thank you for your contribution and I hope that you will be as accommodating should we need your expertise again.

Yours sincerely,

Ágúst Hjörtur Ingþórsson
General Director
Icelandic Centre for Research
